COFFEE

Our coffee is supplied by the Cornwall based Origin coffee, one of the leading independent artisan coffee roasters in the country. They firmly believe in operating ethically and their coffee beans are directly sourced from the farmers, cutting out middle men. The result is being able to source consistently high quality coffee, while also ensuring farmers receive at least 50% over and above Fair Trade prices.

We use their 'Resolute' blend, which uses coffee beans from Colombia, Nicaragua & El Salvador, all directly bought from the farmers that grow them.
